

**Flexible office,
coworking, meeting
and event space
in Maidenhead**

Enrich your work life, balance your real life

Welcome to MyWorkSpot Maidenhead

MyWorkSpot is Maidenhead's flexible office and coworking hub that is a home to start-ups, established and growing businesses, a ready-made community for solopreneurs and freelancers and simply a better way of working for corporate employees or teams looking for a local satellite office.

Inspiring – Enjoy a funky-fessional environment with multiple work options, quiet and collaboration areas that allow you and your team to thrive, and a base you are proud to bring your clients.

Flexible – We understand that people want value and flexibility on where and how they access workspace more than ever; the **MWS Smartphone App** enables members to book only what they need and membership packages that can scale or reduce depending on changing business needs.

Connecting – We bring people together into a digitally and physically connected local business community. More than just a workspace, our business education, networking and social events are legendary.

Close to home – We bring the office close to where you live, so the time saved commuting is now time spent on yourself or your family.

What our members say...

“I moved my office from Regus to MyWorkSpot as I wanted to benefit from the community feel that the MyWorkSpot team create. I haven't been disappointed – we have a great café and hot desking space, a spacious office that even has a window (Regus users, you'll understand!), various social and educational events. Highly recommend.”

Caryn Dunlop – Owner, Action Coach

“Great environment – as a freelancer I find it crucial to have a space I can go to and get my head down to focus. The team who run MyWorkSpot are very friendly and capable, always on hand to help.”

Gregg Fradd – Freelancer

“A great place to run a business. Even though the majority of our work is in central London, we maintain 4 desks at MWS so that we can have a base. Stops us feeling isolated. Clean, tidy, AC and coffee.”

Gareth Moore – Director, Cogworx

“Affinity Merchandise is located in MyWorkSpot offices. We chose this for a number of reasons: location to Paddington (should we need to go into London), flexible working space with breakout areas and meeting rooms. The office also has a real sense of community often engaging in social activities should we wish to – but it's not obligatory! There are a range of businesses here from individual hot-deskers to larger businesses all who see the benefit of working in serviced offices. We'd recommend it highly.”

Kate Smart – Owner, Affinity Merchandise

“Two main things for coming to MyWorkSpot 1. The environment – an engaging mix of different business from start-ups to well established, which provides a motivating and enjoyable environment to work in. 2. The interior – bright, light, windows on each side, makes it a place we happily want to work in each day.”

Helen Hoyle – Director, Eight Strategy

About the MyWorkSpot team

Opening our first office in Maidenhead in July 2017, MyWorkSpot Founders (and brothers-in-law) David and Will had a clear vision for MyWorkSpot to create more than just a serviced office, but a business hub that helps residents **enrich their work life and better balance their real life.**

Once you join MyWorkSpot, not only is the team on hand to take care of every aspect of your office management, our objective is to get to know you and your company to ensure you make meaningful personal and business connections within the MyWorkSpot community.

As the MyWorkSpot business grows, our ethos is to always hire locally and where possible to use local businesses in our supply chain to help support and develop the towns in which we are based.

Memberships

We have a truly flexible range of memberships to support those who just need occasional office, meeting and event space, through to companies who need a full time base for their business. (See opposite.) Full details online: myworkspotuk.com/membership/

MWS Smartphone App

All our memberships run through our dedicated MyWorkSpot mobile App, which allows members to manage their memberships, instantly book offices / desks, meeting rooms and car park spaces, plus connect with other members in the MWS community.
